

Biological chemistry

- [University policies for the course "Biological and Bioorganic Chemistry"](#)
- [Syllabus "Biological and Bioorganic Chemistry"](#)
- [Calendar-themed plan lectures on "Biological Chemistry" for 3rd semester 2022-2023 academic year](#)
- [Calendar-themed plan lectures on "Biological Chemistry" for 4th semester 2023-2024 academic year](#)
- [Calendar-themed plan workshops on the subject "Biological Chemistry" for 3rd semester 2022-2023 academic year](#)
- [Calendar-themed plan workshops on the subject "Biological Chemistry" for 4th semester 2023-2024 academic year](#)

Pharmacology

- [University policies for the course "Pharmacology"](#)
- [Syllabus for the course "Pharmacology"](#)
- [Lecture's Thematic Plan for 3rd Year Students of Medical Institute Speciality "Medicine" in 5th and 6th Semesters of 2023-2024 s.y.](#)
- [Lecture's Thematic Plan for 3rd Year Students of Medical Institute Speciality "Medicine" in 6th Semester of 2023-2024 s.y.](#)
- [Theme's Plan of Practical Classes for 3rd Year Students of Medical Institute Speciality "Medicine" in 5th Semester of 2023-2024 s.y.](#)
- [Theme's Plan of Practical Classes for 3rd Year Students of Medical Institute Speciality "Medicine" in 6th Semester of 2023-2024 s.y.](#)

Clinical biochemistry

- [University policies for the course "Clinical Biochemistry"](#)
- [Syllabus for the course "Clinical biochemistry"](#)
- [Calendar-themed plan workshops on the subject "Clinical biochemistry" at the 7th semester of 2023-2024 academic year](#)

Clinical pharmacology

- [University policies for the course "Clinical Pharmacology"](#)
- [Syllabus for the course "Clinical Pharmacology"](#)
- [Calendar-themed plan workshops on the subject "Clinical Pharmacology" on 9th semester 2023-2024 academic year](#)

Nutrigenomics

- [University policies for the course "Nutrigenomics"](#)

- [Syllabus for the course "Nutrigenomics"](#)

Responsible development of nanosafety as the contribution to the European Green Deal

- [Syllabus of the course "Responsible development of nanosafety as the contribution to the European Green Deal"](#)
